VOLUME 8. MARYVILLE, MISSOURI, TUESDAY, JULY 31, 1917. NO. 49.

IN THE DRAFT LIST

ONE CORRECTION AND ONE ADDITION IN FRIDAY'S NAMES.

MASTER LIST COMPARISON

Rest of Serial Numbers and Order in Which They Were Drawn Given in Today's Paper.

In checking the numbers in Friday's and Saturday's Democrat-Forum with the master list of numbers received Monday by the local exemption board there were two mistakes, one being an addition and the other one a correction. No. 1276 which should appear as the 217th number drawn is Aubrey Devore Lyle of Maryville and was left out of the list. The Democrat-Forum had No. 365 which is William Winfield Turner's number and it should have been No. 353 which belongs to Bennett Wilson Gafney of Clearmont. This number is the 261st number on the list.

The total registration in the county was 2283 instead of 2281.

The list in Saturday's Democrat-Forum was correct.

Following are given the official numbers as taken from the master list and the order in which they appear commencing with the last number printed in Saturday's paper.

From 401 to 500 Numbers.

Files Change of Venue.

E. W. Ray Lumber company of Andrew county filed a change of venue to Nodaway county for their suit against S. J. McKee, Lloyd Booher, and Josephine Booher in the office of the circuit clerk yesterday. The Lumber company is filing suit against the defendants to collect a lumber bill for $828.72, which it alleges is due.

Don't Forget

PATRIOTIC SOCIAL at

First Baptist Church Tonight

Members of men's class, men of church and wives and sweethearts invited.

HONOR BAND BOYS

FLAG POLE WILL BE DEDICATED TO THEM SATURDAY.

COMMERCIAL CLUB PLAN

Will Have Large Crowd at Station to See Boys Off Sunday Morning If Orders Come.

The members of the Fourth Regiment band, who are expecting the summons to leave for Nevada Sunday morning have as yet received no immediate orders for departure. They will be prepared however, to leave Sunday morning for St. Joseph and will go from there to Nevada, where they will remain for a while before going to their camp at Fort Sill, Okla.

The Mayor and City Council will arrange to have the flag pole, recently purchased from funds collected from the merchants of the city, dedicated to the band boys. The pole will be placed at the intersection of Fourth and Main streets, and the dedication ceremonies will take place at 3 o'clock Saturday afternoon. A definite program has not yet been arranged, but it is planned to have several selections by the band and a speech of presentation by one of the Maryville orators. The pole is being hauled to its destination today and will be put in position as soon as possible.

The Commercial club is not planning a spectacular demonstration for the boys this time. If the boys leave on the morning train Sunday it will be arranged to have decorated cars accompany the boys to the station and to have as large a crowd as possible on hand with the farewells. A small gift of some sort will be given to each of the boys.

After the expenses of the visiting band boys were paid at the time of the last call for the Fourth Regiment, about $100 was left in the benefit fund, made up by the citizens when the boys came back. This will be given to Harold Maulding, bandmaster, and will constitute the band boys fund for incidentals while in camp.

VETERANS IN A REUNION

Members of Spanish War Company Will Hold A Celebration Here September 7.

Company E, Fourth Missouri Spanish War veterans are planning a reunion, which will be held during the County fair, probably September 7. These reunions are semi-annual affairs and are arranged by a committee, which for this event comprises: Paul Sisson, H. D. Snyder, and Henry Moore.

The plans so far arranged point to a trip to the fair in the afternoon and then a picnic supper at Normal park. The veterans from Maryville and St. Joseph in this regiment number 25.

HOLD PATRIOTIC SOCIAL

Men's Bible Class of the First Baptist Church Will Honor Members Who Are Leaving Soon.

A patriotic social will be given by the Men's Bible class of the First Baptist church this evening in honor of members of the class who registered June 5, and also for those who have joined the army and intend to leave soon. The social will be held at the church and talks will be given by the pastor, the Rev. T. H. Wiles, Prof. Harry Miller, and Charles Hyslop. A number of selections will be given by the Ladies' Berean quartet, and a 9-piece orchestra will furnish music. Refreshments will be served after the program.

LET PLUMBING CONTRACT.

James Conklin Got Contract for Savannah Residence.

G. C. Sparks, a lawyer of Savannah, was in Maryville yesterday on business and while here let the plumbing contract for his new house to the James Conklin Plumbing Co., of this city. Mr. Conklin will leave soon to take charge of the work. He finished several contracts in Savannah last spring.

Miss Nena Bingaman of Maryville visited at the home of her sisters, Mrs. A. L. Oakerson and Mrs. Russ Peter last week. She has been in California the last two years.

Claude R. Abbey of Hopkins was among those who enlisted in St. Joseph yesterday.

ABBEY PRIEST DIES

FATHER MARTIN KENEL, 64, SUCCUMBS ILLNESS AT BISMARK, N. D.

HAD CAREER OF SERVICE

Work in Nodaway County and Among the North Dakota Indians of the Highest Order.

The Rev. Father Martin Kenel of Conception Abbey, died at 11:30 o'clock last night at a hospital in Bismark, N. D., following a long illness of dropsy.

Father Martin, who was 64 years old came to Conception forty-four years ago and assisted in the upbuilding of Catholic churches in this section of Missouri. By his efforts the first church in Stanberry was built in 1880, and he assisted in many other religious enterprises.

His great life work was done among the Indians in the Standing Rock reservation in North Dakota, where for many years he was in charge of missions that are now handled by several priests.

He not only established churches and schools, but he also acted as mediator between the Indians and the government on many occasions, the most notable one being when the authorities were having trouble with Sitting Bull. On this and other occasions, Father Martin made trips to Washington, conferred with the authorities and adjusted the difficulties of the Indians to the satisfaction of both sides. The government publicly recognized the services of Father Martin as mediator on these occasions. One of the numerous schools which he built is named for him.

Father Martin's work among the Indians lasted for more than thirty years, and then he retired from active service because of ill health brought on by the hardships attending his work during the winter and summer and over such a wide territory.

The body of Father Martin will be brought to Conception, arriving at the Abbey sometime tomorrow. Solemn funeral services will be held at 8 o'clock Thursday morning with interment in St. Columbia cemetery.

TICKET LIMIT TOMORROW

All Purchases for Chautauqua Should Be Made By Noon For Guarantors' Benefit.

Buy your Chautauqua tickets before tomorrow noon if you want the guarantors to get the benefit of your sales. This is the advice given out by Fred P. Robinson this morning.

"Quite a number of responses have been received to the letters which we sent," said Mr. Robinson, "and we are in hopes that the amount to be paid by the guarantors will be greatly decreased by this last effort."

The Chautauqua tent will arrive this evening and will be put in place for the opening performance tomorrow afternoon at 2:30 o'clock when the Schumann quintet gives its first performance.

The number of tickets for the Chautauqua that are still to be disposed of is 115. If these were sold the Chautauqua would pay out.

INVESTIGATES HEDGE LAW

J. V. Lynch, East of Maryville, Will Enforce Provision in His Section of the County.

J. V. Lynch, four miles east of Maryville, who acts as road overseer in his section of the county was in Maryville today looking over the provisions of the new hedge law. Mr. Lynch says that he intends to enforce the law and that after August 1, all offenders will be prosecuted.

The farmers have the months of May, June and July to trim their hedges, says the law, and after August 1, all persons not having the hedges on their property cut are liable to fine.

New Agent of Adams Express.

G. L. Fulk of Clarinda, Ia., has taken the place of E. L. Crane as agent for the Adams Express company. Mr. Crane left yesterday for Fort Dodge, Ia., to take charge of the express office there. Mr. Fulk's family will come to Maryville as soon as he can make arrangements for their arrival.

Ada and Paul Diss of Maryville, spent the last two weeks at the homes of their aunts, Mrs. A. L. Oakerson and Mrs. Russ Peter.

A GOLDEN WEDDING

JUDGE AND MRS. I. K. ALDERMAN NEXT WITH ANNIVERSARY.

MARRIED JULY 31, 1867

Moved From Ohio to Maryville in 1868, Where They Have Lived for Nearly A Half Century.

Golden weddings are in vogue this summer, it seems, for Judge and Mrs. I. K. Alderman are the next on the program with an anniversary date, and incidentally reminiscences.

Fifty years ago this evening Judge Alderman and Miss Helen Lallance were married at Racine, Meigs county, Ohio. Judge Alderman had already been in Maryville since 1866, and one year later, in 1867, he went to Ohio to claim his bride.

A few months after they were married Judge and Mrs. Aldeman returned to Maryville, where Judge Alderman engaged in the mercantile business. In 1870 he was elected judge of the probate court, a position which he held for four years.

Then he began the study of law and was admitted to the bar, after which he devoted himself to his profession.

Mr. Alderman always enjoyed a large and lucrative law practice, but found time to devote to social and church life. His work in Methodist church circles has been noteworthy and he has acted in an official capacity for many years.

Mr. Aldermon also saw service in the Civil War. He enlisted when 20 years old and served for 3 years, taking part in some of the hardest fought battles of the war. He was finally discharged from service in 1864 and came to Missouri a few years afterward.

NO NOTICE OF QUOTA YET

Local Exemption Board Goes Over the Master List Today — Notices Posted Soon.

Since the local exemption board has not yet received official notice of the quota from this county for the first draft army, the board was today going over the master list which was received yesterday. They are preparing their lists of eligibles and getting ready to send out notices so as to be ready by the time they get the information of the quota.

The board is proceeding cautiously taking plenty of time to check up the lists, and it is likely that they will not be ready for posting until tomorrow or the next day. This will mean that the physical examination will not start before the middle of next week.

It is estimated that 20 minutes will be ample time on the average for each physical examination. At this rate it will likely take a week or more before the 404 men from this county are examined.

A SEPARATE PEACE

ALLIES WOULD GIVE AUSTRIA MOST ADVANTAGEOUS TERMS.

NO SUGGESTION IS MADE

Whether Austria Would Take Advantage of Such an Idea, Officials Will Not Hazard a Guess.

Special to The Democrat-Forum.

Washington, July 31.—That Austria can have separate peace on the most advantageous terms was the construction today placed on the remarkable declaration made in the House of Commons today by England's foreign secretary, Balfour. His frank statement that "Jubgalav" and the Austrian question need not wait until the end is constructed here to indicate that if Austria would show disposition to desert Germany her lot would be made easy by the Entente. Whether Austria would take advantage of the suggestion no official would hazard a guess.

New Weather Record, 105.

Yesterday set a new record for this summer's heat when 105 degrees was reached by the daring Mercury. Today the record at 12:30 o'clock was 98 degrees. No change in weather in this section of the country is in sight.

INTO RUSS LANDS

GERMANS ADVANCE FROM 3 TO 5 MILES IN ENEMY'S TERRITORY.

ALLIES IN NEW OFFENSIVE

After Week of Cannonading the British Surge Forward in West Flanders Capturing Objectives.

Special to The Democrat-Forum.

Geneva, July 31.—The Germans have advanced from three to five miles into Russian territory southeast of Tarnopol, according to Berlin advices. Hard fighting is reported from the Dneister river sector and in the Carpathian mountain in Moldavia, Roumania.

May Have Military Dictator.

Copenhagen, July 31.—Evidence of the forthcoming of a military dictatorship in Russia was seen in Petrograd advices today. Kerensky is understood to favor the strengthening of the powers of the military authorities and considerable significance is attached to a conference that has been called to meet at Moscow. Reports are that General Korniloff, leader of the recent Russian drive in Galicia, may be made minister of war.

Allies Open Joint Offense.

London, July 31.—A terrific new joint offense opened today on the western front by the British and French armies, following one more week of violent cannonading. The British surged forward north of the Lys river in West Flanders and according to the official announcement, all objectives were captured and a number of prisoners taken.

PARNELL PLANS A PICNIC

Will Hold 3-Day Outing August 16, 17 18 — Officers and Committee Appointed.

The business men of Parnell held a meeting last night and decided on the dates of the Parnell picnic, which will be August 16, 17 and 18. It was decided not to hold a stock show or an agricultural exhibit on these dates, but instead that a Farmers Institute should be held during the latter part of September.

Committees were appointed to take charge of the work. They were as follows: President, Dr. L. O. Nye; treasurer, Noble Klaas; and secretary, A. J. Roof. Guy Simmons and Troy Milliken will have charge of amusements and Harold Gooden will have charge of concessions. Special music and speakers will be secured for the three days' festival. Races and ball games will also be a part of each day's program.

TOMORROW'S CHAUTAUQUA PROGRAM.

2:30—Concert, Schumann Quintet.

4:00—Children's Play Hour under supervision of Miss Mabel McGill.

7:30—Schumann Quintet.

8:15—Lecture, Dr. James L. Gordon.

Miss Martha Helpley and brother, James Helpley, went to Bedford, Ia., last night. Miss Helpley will be the week-end guest of Miss Allie Little.

DECIDE FOR HOME GUARD.

Committee Will Wait for Authority Before Taking Necessary Steps.

Maryville will have a home guard. This was the decision reached by the Commercial Club committee, comprising Conrad Yehle, Roy Curfman, C. C. Hellmers and E. M. Claypool, which met last night to discuss the advisability of such an organization for Maryville. Nothing will be done in the matter, however, until authority comes from the Missouri Council of Defense, which has charge of all such organizations.

A GREAT MEDICINE.

That most successful of all remedies for woman's ailments, Lydia E. Pinkham's Vegetable Compound, owes its origin to a botanic recipe which came into the possession of Lydia E. Pinkham about fifty years ago.

This recipe had proved so effective in the practise of a skilled physician that Mrs. Pinkham procured the herbs and steeped and prepared them in true old-time fashion on her kitchen stove for her friends and neighbors who suffered from woman's ailments. The fame of the virtues of this wonderful medicine spread, until it is today recognized as the standard remedy for woman's ills.

Dr. J. E. Pierpoint and Albert Logan of Skidmore are beginning work on a new cement garage, seventy by one hundred feet.

"23" Bus Line to Chautauqua

In order to facilitate travel to the Chautauqua the 23 Jitney Station will run the busses regularly according to the schedule below, Chautauqua Week.

Eleven Enlistments This Month.

The local recruiting station has done the best business this month that it has done since it started here. For July, eleven recruits were sent to Jefferson Barracks for the various departments of the army.

O. E. Caywood with his three children of Skidmore is in Maryville today on business.

The Chautauqua Tickets You Agreed To Take
Are Ready For You

Last year a number of people agreed to buy tickets for this year's Chautauqua and signed cards to that effect. If you are one of these you are morally bound to take these tickets and you are expected to do so.

Tonight Is The Last Night

In which you can obtain season tickets and still give the guarantors the benefit. The committee still faces a deficit and all sales made before the opening day will help in relieving them.

TOMORROW

The Chautauqua Opens. Don't delay in getting YOUR TICKET By obtaining a season ticket you obtain the whole series of programs for $2.00.

Which had you rather do—pay 35c or 50c for single admission tickets than to pay $2.00 for a season ticket entitling to the entire 18 sessions—many of them being double programs?

By purchasing a season ticket for $2 the cost is reduced to an average of 11 cents to hear each program. Where can you find such instructive entertainment at so small a price?

The Chautauqua program this year contains a surprising array of talent that will prove worth many times the cost of a $2.00 ticket.

The business men of Maryville have provided the entertainment and are looking to the people of the city to back them up in financing it successfully.

Don't delay buying your ticket—DO IT TONIGHT. You will get more than your money's worth. If you can't call, phone your order for a reservation.

THE TENTING PRIVILEGES in Normal Park are nearly all gone. Many who have not secured tents from the committee have asked for ground reservations and will furnish their own tents.

SEE F. P. ROBINSON FOR TENTING PRIVILEGES.

TICKETS MAY BE HAD AT ANY OF THE STORES.

Skidmore Unit Progresses.

The Skidmore Surgical Dressings unit has made wonderful progress since its organization about a month ago. Under the capable direction of Miss Betty Turner of Maryville the unit has made 582 dressings in the last four meetings and sent 390 dressings to France in the last shipment. The dressings consisted of five different kinds of bandages besides three different sizes of compresses, and the difficulty of making some of these dressings make more creditable the good work of the organization.

The Shakespeare unit, of which Miss Turner is the teacher, has made 724 dressings since the last report and sent 205 dressings in the recent shipment to France.

Miss Turner was accompanied on her weekly trip yesterday by Mrs. J. M. McDonald. Miss Turner and Mrs. McDonald were entertained at dinner yesterday evening after the meeting by Mrs. H. W. Montgomery and her daughter, Miss Frances Montgomery, after which they motored to Maryville.

"THE PRICE SHE PAID" COMING.

"The Price She Paid," one of the most popular American novels ever written, with Clara Kimball Young, the favorite of all moving picture actresses, will be the Selznick Pictures feature offering at the Empire Theatre tomorrow and Thursday nights. The story is that of Mildred Gower, a young woman who has been reared in luxury, and finds herself almost penniless at the death of her father. It is necessary that she make a "good match," and because of the taunts of relatives she is finally forced to marry a multi-millionaire many years her senior. She finds herself little more to him than a fine piece of furniture which he displays to his friends to gratify his pride, and she leaves him. A former sweetheart provides her with money to enable her to study for an operatic career, but she makes little progress until another man, Donald Keith, shows her that success is to be reached only through self-denial. She then learns that she was never the legal wife of the multi-millionaire, as he had a wife living in an insane asylum. Finally she achieves her ambition and is free to marry the man of her choice. This picture was directed by Charles Giblyn, who has recently joined the Selznick forces.

USEFUL TRAINING

Chance For Uncle Sam's Marines to Study Wireless.

REQUIREMENTS OF SERVICE.

Applicant Must Be Not Less Than Five Feet Four Inches nor More Than Six Feet One Inch, Not Less Than 128 nor More Than 233 Pounds.

By GUNNERY SERGEANT FRED. WAHLSTROM, U. S. M. C. (Marine Barracks, New York, N. Y.)

New York.—"Can I learn anything useful in the marine corps?"

That is a question often asked by applicants for enlistment. The fact that the corps maintains the Navy Electrical school in the Brooklyn navy yard serves as one proof that the appeals of our recruiting service are sincere and well based.

Upon graduation from this school marines are usually transferred to signal, mine or gun companies, and the

MARINES STUDYING WIRELESS TELEGRAPHY.

artillery battalion, and radio graduates may also be detailed for duty at the permanent marine corps wireless stations at Peking, China; Managua, Nicaragua, and in Haiti or in connection with expeditionary field wireless outfits.

Any marine having an average school education has a fair chance of taking this course of instruction.

Previous knowledge of electricity is a great help, but not a requisite. Details for assignment to this school are obtained by making application to the major general commandant.

The classes are grouped under two heads, general and radio. Eight months are required to complete either course separately and eleven months for the two courses together.

To enlist in the marine corps an applicant must be not less than five feet four inches nor more than six feet one inch in height, weigh not less than 128 pounds nor more than 233 pounds, not less than eighteen nor more than thirty-five years of age for enlistment as private, able to speak, read and write the English language with ease; native born or naturalized citizen of the United States, steady and regular habits, unmarried, with no one wholly dependent upon him for support; of good health, strong constitution, well formed, sound as to senses and limbs and not addicted to the use of intoxicants or drugs.

The prospective recruit must first pass a physical examination by a naval surgeon and then undergo a critical examination by the recruiting officer, who inquires into his moral fitness and general desirability.

KING TO RENOUNCE NAME.

George V. May Expunge German Title From Family.

London.—The Daily Express says that, following the king's desire that the titles of the Duke of Teck and of the Battenberg family be renounced, as the names suggested their German connection, it is understood that the king may expunge the name of Saxe-Coburg and Gotha from his own family.

The newspaper adds that a new name for the royal family then would have to be found, and the suggestion is made that it be called "the royal house of Great Britain," which would embrace all the dominions.

OWLS IN VICIOUS ATTACKS ON WOMEN

Policemen and Firemen Try In Vain to Catch Enraged Birds.

Winchester, Va.—Citizens of a number of Shenandoah valley towns have been injured by warlike owls, thought to be mother birds seeking their young, which had either fallen from their nests or were trying to fly too soon.

For some years a large number of owls have had their homes in hollow trees in the Episcopal churchyard at Shepherdstown, but this year they moved across the street. After leaving the precincts of the church they developed into quarrelsome rowdies, and now every one who passes the spot is armed with a club for protection.

A few nights ago a party of women was boldly attacked by one of the birds. The owl flew at Mrs. Edward L. Reinhardt, scratched her face and neck with its beak and talons and returned for the second attack. Mrs. Reinhardt was rescued by friends, who beat off the owl.

The same night an owl attacked Mrs. M. L. Harrington, and a little later one of the birds swooped down on Charles E. Walters, who fought off the bird and fled in dismay. Similar trouble has been experienced at Harrisonburg, Va., where a number of owls have nests in tall trees surrounding the home of John T. Harris, a lawyer.

Mrs. Harris and several of her friends were set upon by the owls, and others who were passing were also attacked. Policemen and firemen tried in vain to catch the birds.

WILL SOON REPAIR ALL SEIZED MERCHANT SHIPS

President Has Formally Conveyed Title of German Vessels In United States Ports.

Washington.—Eighty-seven of the German merchant ships seized in American ports at the outbreak of war were turned over by President Wilson to the shipping board for operation. The other fourteen already are in possession of the navy department.

Title to the vessels was vested in the president in a resolution passed by congress in May. Many of them already have been repaired and put into service by the shipping board, which proceeded unofficially without awaiting executive order giving it formal jurisdiction.

The total tonnage of the eighty-seven ships exceeds 500,000. Several have gone to the war department for transports, but it has not been decided definitely whether they are to remain under control of the department or revert to the shipping board. The president's order nominally puts all under the board's control.

The ships retained for commercial service will be put for the most part into transatlantic runs, though several to be brought from Manila to the Pacific coast for repairs may be kept in the Pacific. Those at Honolulu, too, may remain in the Pacific to move the great amount of freight awaiting shipment along the coast to Vladivostok.

The shipping board has announced no general policy concerning operation of the German ships or of the fleet the government is building, but it is understood vessels will be chartered for single trips. This plan was pursued by the board in chartering the first ships repaired to the French and Italian governments for transportation of food and coal. The board, it is said, has no intention of operating ships directly and thus competing with private shipping concerns.

Virtually all of the ships soon will be repaired and in service.

PHEASANTS SAVE CHICKENS.

Warn of Approach of Wild Hawks Toward the Barnyard Poultry.

Hood River, Ore.—Forrest L. Moe, a rancher of the Odell district, says he has lost no chickens from the numerous hawks that frequent the neighborhood because of a well defined system of signals maintained by the Chinese pheasants on the place and the barnyard fowls.

The old pheasant cocks, according to Mr. Moe, usually sight the hawk first. Their cries are taken up by the barnyard rooster, who warns the old hens.

"The latter," says Mr. Moe, "immediately hurry their little chicks to safety, and thus the Chinese pheasants have solved the hawk problem for us. The birds eat up a good deal of corn, but I figure that they are worth it."

One Eyed Organize Home Guards.

Reading, Pa.—A movement has been started in Reading to organize a company of home guards who owing to the lack of one eye are prevented from enlisting in the regular service of the United States army. John Klopp will be captain and George A. Markert first lieutenant. Thirty-seven men have already responded. They hold they are good material for soldiers, as one eye is closed in aiming a rifle.

Fifteen Cents Reward For $11,000.

Upper Sandusky, O.—For finding a package containing $11,000, $6,000 of which was in indorsed checks just received by A. A. Wise of Carey for the sale of a farm, W. H. Costello was offered 15 cents reward by the owner, who was out in search of the package with the sheriff. The finder did not accept the reward.

Kansas City Stock Letter.

Kansas City Stock Yards, July 30.—Cattle receipts were 25,000 head today, a big drop from recent Mondays. Prices opened strong to 15 higher, but later slowed down to barely steady, top $13.75. Hog receipts were 7,500, market mostly 10 higher top $16.10. Sheep and lamb supply was 3,000, market weak to 25 lower, best lambs here $14.50.

Beef Cattle—Missouri beef steers sold at $13.75, as compared with top of $13.90 for best steers here last week. Weighty grass steers were not as numerous today, sales not much changed from the close last week, 15 to 25 a week ago, best in this class $12.65, light grass steers down to $9. Oklahoma shipped lightly, prices around steady, good steers weighing 900 to 1000 pounds at $9.10 to $9.75; 750 to 850 pounds at $7.50 to $8.75; lighter steers down to $6.75. Butcher cattle opened with good prospects, but lost their advantage. Striking switchmen at Chicago threw the market off its stride and the reported settlement of the strike this morning did not quite restore the equilibrium.

Stockers and Feeders—There was a large hold-over from last week—9000 head—but more country buyers appeared today, and this, in connection with receipts smaller than heretofore resulted in a steady market at recent declines. Some good red Kansas steers sold early at $8.50, weighing 875 lbs., considered steady. Stock steers range from $6.25 to $8.50, including best quality. Some fleshy steers are going out as high as $11.75, but this trade is not yet dependable.

Hogs—Excited markets closed last week, and buyers asked a quarter higher at the start today. Later the situation settled to a 10 higher basis, with that advance gone at the close. Prime heavy weights sold at $16.10, highestp rice since May; medium weights, $16; best lights, $15.60. Dry weather and $2 corn are too much for some raisers, and a certain number of good breed sows are being sacrificed. One Nebraska owner sent on his herd of 12 registered sows. Courageous farmers are able to get brood sows worth the money from timid owners now, one Kansas man today telling of his purchase of two good bred sows weighing 300 pounds each at $30 apiece at his home last week.

Sheep and Lambs—Bad fresh mutton and lamb markets in the east continue and prices at the sheep house are lower choice lambs worth $14.75, possibly $15, with culls at $10. Two cars of Arizonas sold today at $14.50, with 150 feeding lambs out at $14. Fancy feeding lambs, weighing 55 pounds, might bring $15; heavier ones less. Fat ewes sell at $8 to $9.50; breeding ewes, $11 to $14.50; old broken mouth ewes at $6 to $7.50, this kind being a gamble with chances against the buyer.

A THRILLING SCENE STRUGGLE.

"Apartment 29" With Mr. Williams and Ethel Grey Terry as Stars at Empire Tonight.

"Apartment 29" finds the popular hero and star of the production, Earle Williams, engaged in one of the most thrilling struggles ever seen on the screen.

Director Scardon, who directed this Blue Ribbon feature by Edward Montagne, which is the attraction at the Empire Theatre tonight, chose an old hut for the background of this struggle, when Mr. Williams and his leading lady, Ethel Grey Terry, are captured by tw orough characters of the backwoods and forced to fight for their lives.

They steal upon Mr. Williams from behind and make a flyingju mp on his back which sends him hurtling to the floor, jerking his two captors from him in the effort. He rises carefully and goes for them again, his fists knocking out in every direction. One falls to the floor with a thud, but the other manages to overpower the hero and then turns to tackle the girl.

DAILY DEMOCRAT-FORUM

NEWS DISPATCHES FROM THE INTERNATIONAL NEWS SERVICE.

VOLUME 8. MARYVILLE, MISSOURI, TUESDAY, JULY 31, 1917. NO. 49.

IN THE DRAFT LIST

ONE CORRECTION AND ONE ADDITION IN FRIDAY'S NAMES.

MASTER LIST COMPARISON

Rest of Serial Numbers and Order in Which They Were Drawn Given in Today's Paper.

In checking the numbers in Friday's and Saturday's Democrat-Forum with the master list of numbers received Monday by the local exemption board there were two mistakes, one being an addition and the other one a correction. No. 1276 which should appear as the 217th number drawn is Aubrey Devore Lyle of Maryville and was left out of the list. The Democrat-Forum had No. 365 which is William Winfield Turner's number and it should have been No. 353 which belongs to Bennett Wilson Gafney of Clearmont. This number is the 261st number on the list.

The total registration in the county was 2283 instead of 2281.

The list in Saturday's Democrat-Forum was correct.

Following are given the official numbers as taken from the master list and the order in which they appear commencing with the last number printed in Saturday's paper.

HONOR BAND BOYS

FLAG POLE WILL BE DEDICATED TO THEM SATURDAY.

COMMERCIAL CLUB PLAN

Will Have Large Crowd at Station to See Boys Off Sunday Morning If Orders Come.

The members of the Fourth Regiment band, who are expecting the summons to leave for Nevada Sunday morning have as yet received no immediate orders for departure. They will be prepared however, to leave Sunday morning for St. Joseph and will go from there to Nevada, where they will remain for a while before going to their camp at Fort Sill, Okla.

The Mayor and City Council will arrange to have the flag pole, recently purchased from funds collected from the merchants of the city, dedicated to the band boys. The pole will be placed at the intersection of Fourth and Main streets, and the dedication ceremonies will take place at 3 o'clock Saturday afternoon. A definite program has not yet been arranged, but it is planned to have several selections by the band and a speech of presentation by one of the Maryville orators. The pole is being hauled to its destination today and will be put in position as soon as possible.

The Commercial club is not planning a spectacular demonstration for the boys this time. If the boys leave on the morning train Sunday it will be arranged to have decorated cars accompany the boys to the station and to have as large a crowd as possible on hand with the farewells. A small gift of some sort will be given to each of the boys.

After the expenses of the visiting band boys were paid at the time of the last call for the Fourth Regiment, about $100 was left in the benefit fund, made up by the citizens when the boys came back. This will be given to Harold Maulding, bandmaster, and will constitute the band boys fund for incidentals while in camp.

VETERANS IN A REUNION

Members of Spanish War Company Will Hold A Celebration Here September 7.

Company E, Fourth Missouri Spanish War veterans are planning a reunion, which will be held during the County fair, probably September 7. These reunions are semi-annual affairs and are arranged by a committee, which for this event comprises: Paul Sisson, H. D. Snyder, and Henry Moore.

The plans so far arranged point to a trip to the fair in the afternoon and then a picnic supper at Normal park. The veterans from Maryville and St. Joseph in this regiment number 25.

HOLD PATRIOTIC SOCIAL

Men's Bible Class of the First Baptist Church Will Honor Members Who Are Leaving Soon.

A patriotic social will be given by the Men's Bible class of the First Baptist church this evening in honor of members of the class who registered June 5, and also for those who have joined the army and intend to leave soon. The social will be held at the church and talks will be given by the pastor, the Rev. T. H. Wiles, Prof. Harry Miller, and Charles Hyslop. A number of selections will be given by the Ladies' Berean quartet, and a 9-piece orchestra will furnish music. Refreshments will be served after the program.

LET PLUMBING CONTRACT.

James Conklin Got Contract for Savannah Residence.

G. C. Sparks, a lawyer of Savannah, was in Maryville yesterday on business and while here let the plumbing contract for his new house to the James Conklin Plumbing Co., of this city. Mr. Conklin will leave soon to take charge of the work. He finished several contracts in Savannah last spring.

Miss Nena Bingaman of Maryville visited at the home of her sisters, Mrs. A. L. Oakerson and Mrs. Russ Peter last week. She has been in California the last two years.

Claude R. Abbey of Hopkins was among those who enlisted in St. Joseph yesterday.

ABBEY PRIEST DIES

FATHER MARTIN KENEL, 64, SUCCUMBS ILLNESS AT BISMARK, N. D.

HAD CAREER OF SERVICE

Work in Nodaway County and Among the North Dakota Indians of the Highest Order.

The Rev. Father Martin Kenel of Conception Abbey, died at 11:30 o'clock last night at a hospital in Bismark, N. D., following a long illness of dropsy.

Father Martin, who was 64 years old came to Conception forty-four years ago and assisted in the upbuilding of Catholic churches in this section of Missouri. By his efforts the first church in Stanberry was built in 1880, and he assisted in many other religious enterprises.

His great life work was done among the Indians in the Standing Rock reservation in North Dakota, where for many years he was in charge of missions that are now handled by several priests.

He not only established churches and schools, but he also acted as mediator between the Indians and the government on many occasions, the most notable one being when the authorities were having trouble with Sitting Bull. On this and other occasions, Father Martin made trips to Washington, conferred with the authorities and adjusted the difficulties of the Indians to the satisfaction of both sides. The government publicly recognized the services of Father Martin as mediator on these occasions. One of the numerous schools which he built is named for him.

Father Martin's work among the Indians lasted for more than thirty years, and then he retired from active service because of ill health brought on by the hardships attending his work during the winter and summer and over such a wide territory.

The body of Father Martin will be brought to Conception, arriving at the Abbey sometime tomorrow. Solemn funeral services will be held at 8 o'clock Thursday morning with interment in St. Columbia cemetery.

TICKET LIMIT TOMORROW

All Purchases for Chautauqua Should Be Made By Noon For Guarantors' Benefit.

Buy your Chautauqua tickets before tomorrow noon if you want the guarantors to get the benefit of your sales. This is the advice given out by Fred P. Robinson this morning.

"Quite a number of responses have been received to the letters which we sent," said Mr. Robinson, "and we are in hopes that the amount to be paid by the guarantors will be greatly decreased by this last effort."

The Chautauqua tent will arrive this evening and will be put in place for the opening performance tomorrow afternoon at 2:30 o'clock when the Schumann quintet gives its first performance.

The number of tickets for the Chautauqua that are still to be disposed of is 115. If these were sold the Chautauqua would pay out.

INVESTIGATES HEDGE LAW

J. V. Lynch, East of Maryville, Will Enforce Provision in His Section of the County.

J. V. Lynch, four miles east of Maryville, who acts as road overseer in his section of the county was in Maryville today looking over the provisions of the new hedge law. Mr. Lynch says that he intends to enforce the law and that after August 1, all offenders will be prosecuted.

The farmers have the months of May, June and July to trim their hedges, says the law, and after August 1, all persons not having the hedges on their property cut are liable to fine.

New Agent of Adams Express.

G. L. Fulk of Clarinda, Ia., has taken the place of E. L. Crane as agent for the Adams Express company. Mr. Crane left yesterday for Fort Dodge, Ia., to take charge of the express office there. Mr. Fulk's family will come to Maryville as soon as he can make arrangements for their arrival.

Ada and Paul Diss of Maryville, spent the last two weeks at the homes of their aunts, Mrs. A. L. Oakerson and Mrs. Russ Peter.

A GOLDEN WEDDING

JUDGE AND MRS. I. K. ALDERMAN NEXT WITH ANNIVERSARY.

MARRIED JULY 31, 1867

Moved From Ohio to Maryville in 1868, Where They Have Lived for Nearly A Half Century.

Golden weddings are in vogue this summer, it seems, for Judge and Mrs. I. K. Alderman are the next on the program with an anniversary date, and incidentally reminiscences.

Fifty years ago this evening Judge Alderman and Miss Helen Lallance were married at Racine, Meigs county, Ohio. Judge Alderman had already been in Maryville since 1866, and one year later, in 1867, he went to Ohio to claim his bride.

A few months after they were married Judge and Mrs. Aldeman returned to Maryville, where Judge Alderman engaged in the mercantile business. In 1870 he was elected judge of the probate court, a position which he held for four years.

Then he began the study of law and was admitted to the bar, after which he devoted himself to his profession.

Mr. Alderman always enjoyed a large and lucrative law practice, but found time to devote to social and church life. His work in Methodist church circles has been noteworthy and he has acted in an official capacity for many years.

Mr. Aldermon also saw service in the Civil War. He enlisted when 20 years old and served for 3 years, taking part in some of the hardest fought battles of the war. He was finally discharged from service in 1864 and came to Missouri a few years afterward.

NO NOTICE OF QUOTA YET

Local Exemption Board Goes Over the Master List Today — Notices Posted Soon.

Since the local exemption board has not yet received official notice of the quota from this county for the first draft army, the board was today going over the master list which was received yesterday. They are preparing their lists of eligibles and getting ready to send out notices so as to be ready by the time they get the information of the quota.

The board is proceeding cautiously taking plenty of time to check up the lists, and it is likely that they will not be ready for posting until tomorrow or the next day. This will mean that the physical examination will not start before the middle of next week.

It is estimated that 20 minutes will be ample time on the average for each physical examination. At this rate it will likely take a week or more before the 404 men from this county are examined.

A SEPARATE PEACE

ALLIES WOULD GIVE AUSTRIA MOST ADVANTAGEOUS TERMS.

NO SUGGESTION IS MADE

Whether Austria Would Take Advantage of Such an Idea, Officials Will Not Hazard a Guess.

Special to The Democrat-Forum.

Washington, July 31.—That Austria can have separate peace on the most advantageous terms was the construction today placed on the remarkable declaration made in the House of Commons today by England's foreign secretary, Balfour. His frank statement that "Jubgalav" and the Austrian question need not wait until the end is constructed here to indicate that if Austria would show disposition to desert Germany her lot would be made easy by the Entente. Whether Austria would take advantage of the suggestion no official would hazard a guess.

New Weather Record, 105.

Yesterday set a new record for this summer's heat when 105 degrees was reached by the daring Mercury. Today the record at 12:30 o'clock was 98 degrees. No change in weather in this section of the country is in sight.

INTO RUSS LANDS

GERMANS ADVANCE FROM 3 TO 5 MILES IN ENEMY'S TERRITORY.

ALLIES IN NEW OFFENSIVE

After Week of Cannonading the British Surge Forward in West Flanders Capturing Objectives.

Special to The Democrat-Forum.

Geneva, July 31.—The Germans have advanced from three to five miles into Russian territory southeast of Tarnopol, according to Berlin advices. Hard fighting is reported from the Dneister river sector and in the Carpathian mountain in Moldavia, Roumania.

May Have Military Dictator.

Copenhagen, July 31.—Evidence of the forthcoming of a military dictatorship in Russia was seen in Petrograd advices today. Kerensky is understood to favor the strengthening of the powers of the military authorities and considerable significance is attached to a conference that has been called to meet at Moscow. Reports are that General Korniloff, leader of the recent Russian drive in Galicia, may be made minister of war.

Allies Open Joint Offense.

London, July 31.—A terrific new joint offense opened today on the western front by the British and French armies, following one more week of violent cannonading. The British surged forward north of the Lys river in West Flanders and according to the official announcement, all objectives were captured and a number of prisoners taken.

PARNELL PLANS A PICNIC

Will Hold 3-Day Outing August 16, 17 18 — Officers and Committee Appointed.

The business men of Parnell held a meeting last night and decided on the dates of the Parnell picnic, which will be August 16, 17 and 18. It was decided not to hold a stock show or an agricultural exhibit on these dates, but instead that a Farmers Institute should be held during the latter part of September.

Committees were appointed to take charge of the work. They were as follows: President, Dr. L. O. Nye; treasurer, Noble Klaas; and secretary, A. J. Roof. Guy Simmons and Troy Milliken will have charge of amusements and Harold Gooden will have charge of concessions. Special music and speakers will be secured for the three days' festival. Races and ball games will also be a part of each day's program.

TOMORROW'S CHAUTAUQUA PROGRAM.

2:30—Concert, Schumann Quintet.
4:00—Children's Play Hour under supervision of Miss Mabel McGill.
7:30—Schumann Quintet.
8:15—Lecture, Dr. James L. Gordon.

DECIDE FOR HOME GUARD.

Committee Will Wait for Authority Before Taking Necessary Steps.

Maryville will have a home guard. This was the decision reached by the Commercial Club committee, comprising Conrad Yehle, Roy Curfman, C. C. Hellmers and E. M. Claypool, which met last night to discuss the advisability of such an organization for Maryville. Nothing will be done in the matter, however, until authority comes from the Missouri Council of Defense, which has charge of all such organizations.

A GREAT MEDICINE.

That most successful of all remedies for woman's ailments, Lydia E. Pinkham's Vegetable Compound, owes its origin to a botanic recipe which came into the possession of Lydia E. Pinkham about fifty years ago.

This recipe had proved so effective in the practise of a skilled physician that Mrs. Pinkham procured the herbs and steeped and prepared them in true old-time fashion on her kitchen stove for her friends and neighbors who suffered from woman's ailments. The fame of the virtues of this wonderful medicine spread, until it is today recognized as the standard remedy for woman's ills.

Dr. J. E. Pierpoint and Albert Logan of Skidmore are beginning work on a new cement garage, seventy by one hundred feet.

Eleven Enlistments This Month.

The local recruiting station has done the best business this month that it has done since it started here. For July, eleven recruits were sent to Jefferson Barracks for the various departments of the army.

O. E. Caywood with his three children of Skidmore is in Maryville today on business.

The Chautauqua Tickets You Agreed To Take

Are Ready For You

Last year a number of people agreed to buy tickets for this year's Chautauqua and signed cards to that effect. If you are one of these you are morally bound to take these tickets and you are expected to do so.

Tonight Is The Last Night

In which you can obtain season tickets and still give the guarantors the benefit. The committee still faces a deficit and all sales made before the opening day will help in relieving them.

TOMORROW

The Chautauqua Opens. Don't delay in getting YOUR TICKET By obtaining a season ticket you obtain the whole series of programs for $2.00.

Which had you rather do—pay 35c or 50c for single admission tickets than to pay $2.00 for a season ticket entitling to the entire 18 sessions—many of them being double programs?

By purchasing a season ticket for $2 the cost is reduced to an average of 11 cents to hear each program. Where can you find such instructive entertainment at so small a price?

The Chautauqua program this year contains a surprising array of talent that will prove worth many times the cost of a $2.00 ticket.

The business men of Maryville have provided the entertainment and are looking to the people of the city to back them up in financing it successfully.

Don't delay buying your ticket—DO IT TONIGHT. You will get more than your money's worth. If you can't call, phone your order for a reservation.

THE TENTING PRIVILEGES in Normal Park are nearly all gone. Many who have not secured tents from the committee have asked for ground reservations and will furnish their own tents.

SEE F. P. ROBINSON FOR TENTING PRIVILEGES.

TICKETS MAY BE HAD AT ANY OF THE STORES.

Skidmore Unit Progresses.

The Skidmore Surgical Dressings unit has made wonderful progress since its organization about a month ago. Under the capable direction of Miss Betty Turner of Maryville the unit has made 582 dressings in the last four meetings and sent 390 dressings to France in the last shipment. The dressings consisted of five different kinds of bandages besides three different sizes of compresses, and the difficulty of making some of these dressings make more creditable the good work of the organization.

The Shakespeare unit, of which Miss Turner is the teacher, has made 724 dressings since the last report and sent 205 dressings in the recent shipment to France.

Miss Turner was accompanied on her weekly trip yesterday by Mrs. J. M. McDonald. Miss Turner and Mrs. McDonald were entertained at dinner yesterday evening after the meeting by Mrs. H. W. Montgomery and her daughter, Miss Frances Montgomery, after which they motored to Maryville.

"THE PRICE SHE PAID" COMING.

"The Price She Paid," one of the most popular American novels ever written, with Clara Kimball Young, the favorite of all moving picture actresses, will be the Selznick Pictures feature offering at the Empire Theatre tomorrow and Thursday nights. The story is that of Mildred Gower, a young woman who has been reared in luxury, and finds herself almost penniless at the death of her father. It is necessary that she make a "good match," and because of the taunts of relatives she is finally forced to marry a multi-millionaire many years her senior. She finds herself little more to him than a fine piece of furniture which he displays to his friends to gratify his pride, and she leaves him. A former sweetheart provides her with money to enable her to study for an operatic career, but she makes little progress until another man, Donald Keith, shows her that success is to be reached only through self-denial. She then learns that she was never the legal wife of the multi-millionaire, as he had a wife living in an insane asylum. Finally she achieves her ambition and is free to marry the man of her choice. This picture was directed by Charles Giblyn, who has recently joined the Selznick forces.

USEFUL TRAINING

Chance For Uncle Sam's Marines to Study Wireless.

REQUIREMENTS OF SERVICE.

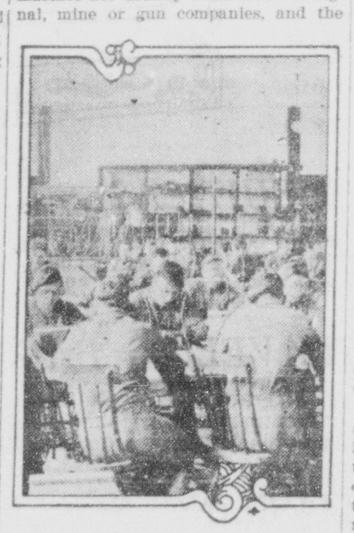
Applicant Must Be Not Less Than Five Feet Four Inches nor More Than Six Feet One Inch, Not Less Than 128 nor More Than 233 Pounds.

By GUNNERY SERGEANT FRED. WAHLSTROM, U. S. M. C. (Marine Barracks, New York, N. Y.)

New York.—"Can I learn anything useful in the marine corps?"

That is a question often asked by applicants for enlistment. The fact that the corps maintains the Navy Electrical school in the Brooklyn navy yard serves as one proof that the appeals of our recruiting service are sincere and well based.

Upon graduation from this school marines are usually transferred to signal, mine or gun companies, and the



MARINES STUDYING WIRELESS TELEGRAPHY.

artillery battalion, and radio graduates may also be detailed for duty at the permanent marine corps wireless stations at Peking, China; Managua, Nicaragua, and in Haiti or in connection with expeditionary field wireless outfits.

Any marine having an average school education has a fair chance of taking this course of instruction.

Previous knowledge of electricity is a great help, but not a requisite. Details for assignment to this school are obtained by making application to the major general commandant.

The classes are grouped under two heads, general and radio. Eight months are required to complete either course separately and eleven months for the two courses together.

To enlist in the marine corps an applicant must be not less than five feet four inches nor more than six feet one inch in height, weigh not less than 128 pounds nor more than 233 pounds, not less than eighteen nor more than thirty-five years of age for enlistment as private, able to speak, read and write the English language with ease; native born or naturalized citizen of the United States, steady and regular habits, unmarried, with no one wholly dependent upon him for support; of good health, strong constitution, well formed, sound as to senses and limbs and not addicted to the use of intoxicants or drugs.

The prospective recruit must first pass a physical examination by a naval surgeon and then undergo a critical examination by the recruiting officer, who inquires into his moral fitness and general desirability.

KING TO RENOUNCE NAME.

George V. May Expunge German Title From Family.

London.—The Daily Express says that, following the king's desire that the titles of the Duke of Teck and of the Battenberg family be renounced, as the names suggested their German connection, it is understood that the king may expunge the name of Saxe-Coburg and Gotha from his own family.

The newspaper adds that a new name for the royal family then would have to be found, and the suggestion is made that it be called "the royal house of Great Britain," which would embrace all the dominions.

OWLS IN VICIOUS ATTACKS ON WOMEN

Policemen and Firemen Try In Vain to Catch Enraged Birds.

Winchester, Va.—Citizens of a number of Shenandoah valley towns have been injured by warlike owls, thought to be mother birds seeking their young, which had either fallen from their nests or were trying to fly too soon.

For some years a large number of owls have had their homes in hollow trees in the Episcopal churchyard at Shepherdstown, but this year they moved across the street. After leaving the precincts of the church they developed into quarrelsome rowdies, and now every one who passes the spot is armed with a club for protection.

A few nights ago a party of women was boldly attacked by one of the birds. The owl flew at Mrs. Edward L. Reinhardt, scratched her face and neck with its beak and talons and returned for the second attack. Mrs. Reinhardt was rescued by friends, who beat off the owl.

The same night an owl attacked Mrs. M. L. Harrington, and a little later one of the birds swooped down on Charles E. Walters, who fought off the bird and fled in dismay. Similar trouble has been experienced at Harrisonburg, Va., where a number of owls have nests in tall trees surrounding the home of John T. Harris, a lawyer.

Mrs. Harris and several of her friends were set upon by the owls, and others who were passing were also attacked. Policemen and firemen tried in vain to catch the birds.

WILL SOON REPAIR ALL SEIZED MERCHANT SHIPS

President Has Formally Conveyed Title of German Vessels In United States Ports.

Washington.—Eighty-seven of the German merchant ships seized in American ports at the outbreak of war were turned over by President Wilson to the shipping board for operation. The other fourteen already are in possession of the navy department.

Title to the vessels was vested in the president in a resolution passed by congress in May. Many of them already have been repaired and put into service by the shipping board, which proceeded unofficially without awaiting executive order giving it formal jurisdiction.

The total tonnage of the eighty-seven ships exceeds 500,000. Several have gone to the war department for transports, but it has not been decided definitely whether they are to remain under control of the department or revert to the shipping board. The president's order nominally puts all under the board's control.

The ships retained for commercial service will be put for the most part into transatlantic runs, though several to be brought from Manila to the Pacific coast for repairs may be kept in the Pacific. Those at Honolulu, too, may remain in the Pacific to move the great amount of freight awaiting shipment along the coast to Vladivostok.

The shipping board has announced no general policy concerning operstion of the German ships or of the fleet the government is building, but it is understood vessels will be chartered for single trips. This plan was pursued by the board in chartering the first ships repaired to the French and Italian governments for transportation of food and coal. The board, it is said, has no intention of operating ships directly and thus competing with private shipping concerns.

Virtually all of the ships soon will be repaired and in service.

PHEASANTS SAVE CHICKENS.

Warn of Approach of Wild Hawks Toward the Barnyard Poultry.

Hood River, Ore.—Forrest L. Moe, a rancher of the Odell district, says he has lost no chickens from the numerous hawks that frequent the neighborhood because of a well defined system of signals maintained by the Chinese pheasants on the place and the barnyard fowls.

The old pheasant cocks, according to Mr. Moe, usually sight the hawk first. Their cries are taken up by the barnyard rooster, who warns the old hens.

"The latter," says Mr. Moe, "immediately hurry their little chicks to safety, and thus the Chinese pheasants have solved the hawk problem for us. The birds eat up a good deal of corn, but I figure that they are worth it."

One Eyed Organize Home Guards.

Reading, Pa.—A movement has been started in Reading to organize a company of home guards who owing to the lack of one eye are prevented from enlisting in the regular service of the United States army. John Klopp will be captain and George A. Markert first lieutenant. Thirty-seven men have already responded. They hold they are good material for soldiers, as one eye is closed in aiming a rifle.

Fifteen Cents Reward For $11,000.

Upper Sandusky, O.—For finding a package containing $11,000, $6,000 of which was in indorsed checks just received by A. A. Wise of Carey for the sale of a farm, W. H. Costello was offered 15 cents reward by the owner, who was out in search of the package with the sheriff. The finder did not accept the reward.

Kansas City Stock Letter.

Kansas City Stock Yards, July 30.—Cattle receipts were 25,000 head today, a big drop from recent Mondays. Prices opened strong to 15 higher, but later slowed down to barely steady, top $13.75. Hog receipts were 7,500, market mostly 10 higher top $16.10. Sheep and lamb supply was 3,000, market weak to 25 lower, best lambs here $14.50.

Beef Cattle—Missouri beef steers sold at $13.75, as compared with top of $13.90 for best steers here last week. Weighty grass steers were not as numerous today, sales not much changed from the close last week, 15 to 25 a week ago, best in this class $12.65, light grass steers down to $9. Oklahoma shipped lightly, prices around steady, good steers weighing 900 to 1000 pounds at $9.10 to $9.75; 750 to 850 pounds at $7.50 to $8.75; lighter steers down to $6.75. Butcher cattle opened with good prospects, but lost their advantage. Striking switchmen at Chicago threw the market off its stride and the reported settlement of the strike this morning did not quite restore the equilibrium.

Stockers and Feeders—There was a large hold-over from last week—9000 head—but more country buyers appeared today, and this, in connection with receipts smaller than heretofore resulted in a steady market at recent declines. Some good red Kansas steers sold early at $8.50, weighing 875 lbs., considered steady. Stock steers range from $6.25 to $8.50, including best quality. Some fleshy steers are going out as high as $11.75, but this trade is not yet dependable.

Hogs—Excited markets closed last week, and buyers asked a quarter higher at the start today. Later the situation settled to a 10 higher basis, with that advance gone at the close. Prime heavy weights sold at $16.10, highestp rice since May; medium weights, $16; best lights, $15.60. Dry weather and $2 corn are too much for some raisers, and a certain number of good breed sows are being sacrificed. One Nebraska owner sent on his herd of 12 registered sows. Courageous farmers are able to get brood sows worth the money from timid owners now, one Kansas man today telling of his purchase of two good bred sows weighing 300 pounds each at $30 apiece at his home last week.

Sheep and Lambs—Bad fresh mutton and lamb markets in the east continue and prices at the sheep house are lower choice lambs worth $14.75, possibly $15, with culls at $10. Two cars of Arizonas sold today at $14.50, with 150 feeding lambs out at $14. Fancy feeding lambs, weighing 55 pounds, might bring $15; heavier ones less. Fat ewes sell at $8 to $9.50; breeding ewes, $11 to $14.50; old broken mouth ewes at $6 to $7.50, this kind being a gamble with chances against the buyer.

A THRILLING SCENE STRUGGLE.

"Apartment 29" With Mr. Williams and Ethel Grey Terry as Stars at Empire Tonight.

"Apartment 29" finds the popular hero and star of the production, Earle Williams, engaged in one of the most thrilling struggles ever seen on the screen.

Director Scardon, who directed this Blue Ribbon feature by Edward Montagne, which is the attraction at the Empire Theatre tonight, chose an old hut for the background of this struggle, when Mr. Williams and his leading lady, Ethel Grey Terry, are captured by tw orough characters of the backwoods and forced to fight for their lives.

They steal upon Mr. Williams from behind and make a flyingju mp on his back which sends him hurtling to the floor, jerking his two captors from him in the effort. He rises carefully and goes for them again, his fists knocking out in every direction. One falls to the floor with a thud, but the other manages to overpower the hero and then turns to tackle the girl.
